**Comments on Statement of Reasons for Allowance**

Dear Examiner:

Pursuant to the provisions of MPEP § 1302.14, and further in regards to the payment of issue fee enclosed herewith, the Applicant provides the following comments on the Examiner's Statement of Reasons for Allowance, and wishes such comments to be incorporated into the record.

While the Applicant agrees that the Examiner's Amendment placed the application in condition for allowance, the Applicant respectfully disagrees with the Examiner's Statement of Reasons for Allowance. For example, but not by way of limitation, the Examiner states that the "cited patents all disclose brush member having a handle coupled to a 'dog legged shaped shank,'" however, the Applicant respectfully submits that not all of the references cited by the examiner disclose dog-legged-shaped shanks. The Petre reference, for instance, has a shank with

U-shaped bend, not a dog-legged shank, and other of the cited references disclose shanks with 90-degree bends.

Respectfully submitted
